

Lampstand Ministries

You are invited to join the national community in receiving the monthly Lampstand Ministries' E-Newsletter. In the E-newsletter, you will find information concerning communities across the United States, the National Great Banquet and Awakening Conference on September 16-18, 2010 in Decatur, Illinois, and comments from the founder of the Great Banquet weekends, Jack Pitzer.

If you would like to join in the excite, please email Jessica Pitzer McLaughlin at jessica@lampstand.net.

Team Position [Technically Gifted]

We have created a new position for the banquet weekends. To keep up with all the technical advances that we encounter everyday, we have a need to have a "tech" person for the weekends. This is someone who can run the sound board and have computer knowledge running power point and other similar programs. We need both men and women to fill this position. If this is a gift that God has given you, please let us know by e-mailing Bob Moss at bkntmoss@juno.com. This list will be given to each new lay director to pick from to be on God's weekends.

Information Changes

Many of you have changed home phones to cell phones, moved home addresses, or switched email accounts, etc. Often, we do not find out about it until someone else answers your old number or your email goes without a reply. If something in one of the above examples have changed since you possibly went through your weekend or a weekend that you served, will you please let us know your new information?

Email Bob Moss: bkntmoss@juno.com

Have you been receiving the Prayer and Praise Newsletter for our Community? This is a great way to receive prayer as well as pray for others.
