If you do not receive the newsletter in electronic format and could, PLEASE send an email to: newsletter@kokomogreatbanquet.com and let us know. Newsletters are published monthly on the church's web site. (www.kokomogreatbanquet.com) An email notification is sent out when a new edition is available.

Rather than requiring you to tell us you no longer want to receive the newsletter, our policy is for you to tell us that you want to continue to receive the newsletter. You only need to do this once per year. It won't cost you a thing, you just need to let us know!

There is a month and year in the upper right hand corner of your mailing label. This date will indicate the last edition of the newsletter you will receive. Once a year we would like you to contact us to let us know that you would like to continue to receive the newsletter. This can be done via a new volunteer form that you can get at the church office or via the web site. (www.kokomogreatbanquet.com) Or, you can send an email to newsletter@kokomogreatbanquet.com and let us know that way. Or, you can just send a plain old note indicating your preference to the address in the top right corner.
